

## ALLEGANY – LIMESTONE DISTRICT “NO CHARGE POLICY”

Dear Parents,

Below is an outline of our district’s “NO CHARGE POLICY”.  
Please read it carefully and help us make sure that your child is not embarrassed. It takes all of us working together.

### “NO CHARGE POLICY”

Parents, students, and staff will be allowed to pre-pay on accounts.  
You can use the “My School Bucks” formally called “My Lunch Money “program. This program allows you to check child’s accounts and/or use this to pay online. You can also use this to set up a low balance letter sent directly to your personal e-mail. You will need your child’s school ID #.

If a student does not have the appropriate account balance, pocket money, or a meal from home, that student will be offered toast and juice for breakfast and/or a sandwich and milk for lunch at no cost to the student.

If a student continues to receive the alternate meal without any effort made by the parent to correct the problem, the Business Office will be notified. At no time will a student be allowed to go hungry.

Sincerely,

**Rhonda Herbert**

Cafeteria Manager

Allegany-Limestone Central School
