Connection to NYSED P-12 Common Core Learning Standards &/or NYS Teaching Standards:

(see <http://www.highered.nysed.gov/tcert/resteachers/teachingstandards.html> or <http://engageny.org/teachers/>)

This app would target speaking standards.

Evidence that this App has worthwhile classroom value:

(include specific students groups who would use it, other contents areas where it could be used, access to a demo or tutorial on the App, etc)

All of my speech students could benefit from using this app. The app primarily targets articulation skills however, my students with language delays could also use this app to target vocabulary, story retelling, etc.
