APP Rationale Form

For the educational purchase of ipod/ipad apps...

(Please complete and submit this form to the technology office, through Heather Hunt.)

Teacher Name: Suzan Snyder	Building: High School
Grade Level and Content Area: English 10	
Name and Cost of App: Schoology - free	
URL of App, if available: www.schoology.com	
Brief description of the App: This app allows students to access and upload to the class's website. We use iMovie and ComicLife3, and I would like the kids to upload their work, but they are unable to through the website. It requires the app. I use Schoology to run my online portion of my courses.	
Plans for classroom use of the App: We use this app throughout the year. I've gotten around the issue by having them air drop their projects to my iPad so I can upload them, but I'd prefer if they could upload themselves.	
Connection to NYSED P-12 Common Core Learning Standards &/or NYS Teaching Standards: (see http://www.highered.nysed.gov/tcert/resteachers/teachingstandards.html or http://engageny.org/teachers/) Students are career and college ready by using the online portion of my class and discussion boards.

Evidence that this App has worthwhile classroom value:
(include specific students groups who would use it, other contents areas where it could be used,
access to a demo or tutorial on the App, etc)
I've been using the website for 2 years. It is student and teacher friendly.
