- 2) The optical scan voting machines shall be those owned by the District, but if the District's machines are not available, optical scan voting machines may be obtained from some other source satisfactory to the Board of Education.
- 3) For each optical scan voting machine used, two (2) qualified voters of the District shall be appointed by the Board of Education to act as Election Inspectors.
- 4) The Board of Education shall pay all expenses necessary or incidental to the use or rental, as the case may be, of optical scan voting machines, including but not limited to the operation, calibration, maintenance and securing thereof and the training of the Election Inspectors in the use thereof.
- 5) Immediately before any optical scan voting machine is used at meetings, elections or votes, annual, special or however otherwise denominated or designated, the Election Inspectors shall examine and calibrate it and see that the machine is, in all respects, in proper condition for use. The Election Inspectors shall also ensure that the configuration of the voting area provides for voter privacy.
- 6) Each optical scan voting machine shall remain locked against voting, and the paper ballots cast through the optical scan voting machine shall be secured and retained, for the period of thirty (30) days following the meeting, election or vote at which same has been used and as much longer as may be necessary or advisable because of existing or threatened contest over the result of the meeting, election or vote, except as otherwise provided by the Education Law of the State of New York.
- 7) Any proposition to be voted upon, when presented other than by the Board of Education and except where required by law to be stated in the published notice of meeting, election or vote, must be set forth in such manner as to conform to the requirements of the Education Law of the State of New York, and must be presented in a petition bearing the signatures of twenty-five (25) qualified voters, or 5% of the number of qualified voters voting in the previous annual vote - whichever is greater, of the School District (except where the number of signatures is specified in said Education Law in which case the provisions of the Education Law shall apply) and filed with the Board of Education not less than thirty (30) days before the meeting, election or vote, unless otherwise prescribed by law.
- 8) Any question or proposition to be voted upon when required by law to be stated in the published notice of meeting, election or vote and prescribed other than by the Board of Education, must be presented by petition as set forth in rule 7 above and filed with the Board of Education not less than fifty-five (55) days before the meeting, election or vote unless otherwise prescribed by law.
- 9) Any question or proposition to be presented by the Board of Education must be set forth in a resolution adopted at a meeting of the Board not less than fourteen (14) days prior to the meeting,

election or vote, except as to a question or proposition required by law to be stated in the published notice of the meeting, election or vote, in which event such resolution must be adopted at a meeting of the Board not less than fifty (50) days before the meeting, election or vote, except that the fifty (50) day time limitation shall not apply to a special meetings called under the provisions of Section 2007 subdivision 3, paragraph a. of the Education Law of the State of New York.

- 10) In the event that any question or proposition to be voted upon is too lengthy to be placed upon the ballot to be used in conjunction with the optical scan voting machines, an abstract of such question or proposition shall be placed thereon in such form as may be prescribed by the Board of Education of the District, concisely stating the purpose and effect and setting forth and indicating generally and briefly the subject matter of the question or proposition. Wherever the question is excessively lengthy as above described, a sufficient number of copies thereof shall be available at the voting place in order that each voter may be furnished with a copy thereof before voting.
- 11) Where circumstances require that the form of ballot, type or ballot label be different from that prescribed by the Election Law of the State of New York, the form of ballot, type or ballot label shall conform to that required by such circumstances.
- 12) Except as may otherwise be required by law, the Cattaraugus County Board of Elections shall have no jurisdiction with regard to the use of optical scan voting machines in connection with any school district meeting, election or vote.
