

Allegany-Limestone Middle-High School

HYBRID LEARNING MODEL INFORMATION SHEET

Revised October 2020

Based on guidance from the New York State Department of Health, the County Department of Health and the New York State Education Department, a hybrid learning model appears to best address the health and safety of our students and staff.

*In Order to Reopen
All NYS Schools Must:*

On defined days, some students learn remotely while others learn at school. This limits the number of students in classrooms, on buses and in the hallways at one time. This plan is subject to change and dependent on the Governor's approval.

Students Will Be in 4 Groups

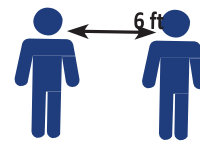

- **Track A** attends school on Monday and Thursday; remote learning takes place on Tuesday and Friday as per guidelines/expectations from individual teachers.
 - **Track B** attends school on Tuesday and Friday; remote learning takes place on Monday and Thursday as per guidelines/expectations from individual teachers.
 - **Track C** includes several students who experienced difficulties in the Spring with coursework when school was closed, BOCES students and students without internet access at home. They will attend school on Monday, Tuesday, Thursday, Friday.
 - **Track D** are students who are choosing to learn remotely 100% of the time.
- Wednesdays will be a day for individual/small group meetings with teachers, delivery of assessments, completion of outstanding work, as well as other needs as identified by individual teachers.
 - On Wednesdays, teachers and staff will also be participating in grade level/department meetings, professional development, and planning for both in-person & remote learning.
 - All teachers and support staff members will be working *every day*.

Ensure educational equity

Provide daily teacher/student interactions

Maintain appropriate social distancing

Establish a process for

health checks

Require face coverings for staff and students

Regularly clean and disinfect schools and buses

Promote correct hand hygiene & etiquette
