

DO NOW

Does closure property hold for the even numbers under the operation of division?

$$\frac{6}{2} = 3$$

Does not hold.

CHAPTER 1 REVIEW

How do you study for a math test????

- * Practice problems - repeat HW questions
- * Review notes
- * Study buddy
- * Flash cards
- * Ask questions

IMPORTANT STUDY AREAS:

vocabulary - page 5

keywords for translating

*don't forget to identify variables where necessary

properties

*know additive identity element, multiplicative identity element, additive inverse and multiplicative inverse

Radical operations

exponent rules

PEMDAS or GEMS

Scientific notation, precision, accuracy, greatest possible error

HOMework

Worksheet - Chapter 1 Review
