Q&A

WHY ARE WE STARTING ANOTHER BUILDING PROJECT, WE ARE IN THE MIDDLE OF ONE RIGHT NOW?

This project focuses mainly on the elementary school and maintenance needs at the bus garage. The climate is right to do a building project now. Being proactive by addressing the maintenance needs of the projects will help prevent any emergency repairs as well as allow the District to receive staid aid as part of a Capital Project.

HOW WILL MY SCHOOL TAXES BE IMPACTED BY THIS PROJECT?

There will be no increase for our taxpayers as a result of this project. The timing of this project is key in enabling us to offer a tax-neutral project to the taxpayers. This is due to your continuing support in providing us with an opportunity to set up a Capital Reserve. Your support has offered the Board of Education, Administration and Staff the opportunity to be fiscally responsible by saving funds towards this specific effort. We will also be able to utilize the Building Aid reimbursement program, which will return nearly 88% state aid for these capital improvements.

WHAT IS THE TIMELINE FOR THIS PROJECT?

Pending voter approval in February of 2020, working with our design professionals we would further develop the plans into Spring of 2020. The project would then be sent to the State Education Department for review and approval. Following approval, the project would be prepared to bid in the Spring of 2021 for construction to start Spring of 2021 and extend through the Summer of 2022.

ALLEGANY-LIMESTONE CENTRAL SCHOOL PROPOSED CAPITAL IMPROVEMENTS PROJECT

OUR COMMUNITY

The Board of Education and our District Leadership Team have worked hard to ensure the items in this project will support our mission to provide our students with access and opportunities for a well-rounded school experience. We understand that our school facilities serve an important role to our community as a place where families and townspeople come together. Over time, items need to be replaced, repaired, or upgraded to meet the many needs of our students, families, and community members.
