

*For the first time ever, the **Village of Allegany** will be hosting **Scarecrow Row**. This event, sponsored by the Enchanted Mountain Garden Club, has been organized to promote family fun in Allegany during the beautiful Fall season.*

It will encourage residents and local businesses to put their "scarecrow-making abilities" to the test with an eye towards displaying their scarecrow for the whole month of October. We want everyone to enjoy this family activity that will bring the community together!

Scarecrow Row Details:

- (1)** The idea is simple: come up with a concept for building one scarecrow per family at your home and put it out for all of Allegany to see.
- (2)** Start thinking about the personality of your scarecrow as you start collecting clothes and other items. Your handmade scarecrow must be made in good taste and constructed to withstand wind and rain. The committee has the right to remove any scarecrow that is inappropriate or in disrepair so please maintain your scarecrow while on display.
- (3)** Pre-cut scarecrow frames have been donated for your scarecrow. You will pick up your frame at a later date and a designated location (to be announced.)
- (4)** All scarecrows will be displayed on light posts on Main St., starting October 1st through October 31st, 2021. Also, St Bonaventure students, through BonaGany, Inc., will assist participants in mounting the scarecrows the last week of September.
- (5)** All participants will remove their own scarecrow on Monday, November 1st and save them for Scarecrow Row 2022!
- (6)** A sign will be preprinted with your family name or business name and the name of your scarecrow. EMGC members will affix it to your scarecrow at that time.
- (7)** PINTEREST is a great source of ideas for design and "how to" build a scarecrow.

Ultimately, the organizers of Scarecrow Row will provide the community with a fun activity. We believe that this will become a cherished autumn tradition in Allegany. It is a great event for this moment in time!

In closing, please respond by emailing or mailing me your registration form no later than July 10th so the EMGC may put in place all the wonderful organizational details that will make this a big success for you and our community.

In Gratitude,

Mary Linda Williams (President EMGC),
