

WELCOME
TO
**Mrs.
Nitsche's**
CLASS
Room 113

Teacher Contact Information:

Kelly Jo Nitsche

kcrisafulli@alcsny.org

(716) 375-6600 ext. 4113

I am available by phone daily
between 7:30 and 3.

Please don't hesitate to contact me
with any questions!

A Little About Me:

This is my first full year as a teacher
at ALES! I am an ALCS alumni and
I am proud to be a part of the
Gator family once again! Prior to
teaching here, I taught 9 years
total of Pre-K between in Head
Start programs in Olean and
Rochester. Teaching is my passion
and I am excited to work with your
child and have an AMAZING year!

Goals This Year:

- Having FUN with learning
- trying our best every day
- not giving up
- learning to set personal goals
- being a classroom citizen
- working to achieve individual goals

Functional Skills:

This year, in addition to academic
skills, we will be focusing on functional
skills that we use every day. Such skills
in different areas include, but are not
limited to:

- Understanding and budgeting money
 - understanding sales fliers and creating shopping lists
 - asking questions for information
 - reading and following directions (maps, recipes, etc.)
 - speaking for an audience
 - roles and responsibilities in the classroom and community setting.
- Focusing on these skills will build independence and confidence for their future in and out of school.

Community Integration:

Community Integration is another important element of our classroom this year. Students will learn to use community resources and navigate through our local community. Periodically, permission slips will be sent home explaining when and where our community field trips will take place. Additionally, we will be providing opportunities within our building such as; recycling, yearbook, reading buddies with younger classes, and other exciting opportunities!
