

Hello Gators!

Week of May 12-18

Hello Families! Like last week, there will be a video each week and an assignment to go along with the video. However, there will also be an additional practice page to do. Keep eye on each assignment to see which ones need to be sent to your child's teacher. For the assignments being sent to your child's teacher, please have your child work on these independently. Lastly, there is a special Mother's Day craft attached at the end.

Please remember that this document can be found on Miss Barry's Webpage.
