Plans for classroom use of the App: This app will allow me to offer an alternative method for addressing speech/language goals. Word Vault Pro's smart and easy to use client management and data tracking system allows you to work with up to 10 clients at a time and record data for each individual while working in different content areas of the app. Email progress data to any recipient of your choice.	
Connection to NYSED P-12 Common Core Learning Standards &/or NYS Teaching Standards: (see http://www.highered.nysed.gov/tcert/resteachers/teachingstandards.html or http://engageny.org/teachers/) This app would target speaking and listening standards.	
Evidence that this App has worthwhile classroom value: (include specific students groups who would use it, other contents areas where it could be used, access to a demo or tutorial on the App, etc) All of my speech students could benefit from this app as it offers a wide variety of features
