

## APP Rationale Form

For the educational purchase of ipod/ipad apps...

(Please complete and submit this form to the technology office, through Heather Hunt.)

|                                                                                                                                                                                                                                                                                |                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| Teacher Name: <b>Waugaman</b>                                                                                                                                                                                                                                                  | Building: <b>High School</b> |
| Grade Level and Content Area: <b>Grade 9 – Earth Science</b>                                                                                                                                                                                                                   |                              |
| Name and Cost of App: <b>Astrolabe - Free</b>                                                                                                                                                                                                                                  |                              |
| URL of App, if available: <b>App Store</b>                                                                                                                                                                                                                                     |                              |
| Brief description of the App: <b>Give specific information about the positions of the sun, moon and planets by season.</b>                                                                                                                                                     |                              |
| Plans for classroom use of the App: <b>Use in Earth Science for visualizing the positions of the sun, moon and planets in relation to earth by date and by season</b>                                                                                                          |                              |
| Connection to NYSED P-12 Common Learning Standards:<br>(see <a href="http://engageny.org/teachers/">http://engageny.org/teachers/</a> )                                                                                                                                        |                              |
| Evidence that this App has worthwhile classroom value:<br>(include specific students groups who would use it, other contents areas where it could be used, access to a demo or tutorial on the App, etc)<br><b>Earth Science students , Could also be used in K-12 science</b> |                              |
