

To Students & Parents or Guardians:

Hi, my name is Mindy McCarthy. I am the AmeriCorps Representative at Allegany Limestone High School. You are receiving this letter because recently you and/or your child(ren) attended a Volunteer Project with AmeriCorps. The AmeriCorps (S.T.A.R.T) program has created a web site (<http://www.acstart.org/>) through the Cattaraugus County Youth Bureau located in Little Valley.

We would like to publish pictures of the participants in the volunteer projects that I assemble. These pictures would be used for the AmeriCorps (S.T.A.R.T.) web site and the AmeriCorps page listed under Community on Allegany Limestone Central School's homepage to display the type of volunteer project and how many volunteers we were able to have present.

Your permission is needed for picture publications regarding the community service project. Please fill out the responses below by checking the section and finally printing and signing as indicated at the bottom.

If you have any questions or concerns you can contact me by phone at 716-375-6600 x2230 or through email: mmccarthy@alcsny.org .

Publication: (Parent/Guardian Only)

I give permission for pictures, accomplishments, of school events, classes, and AmeriCorps events to be published on the S.T.A.R.T AmeriCorps website ([http://www.acstart.org.](http://www.acstart.org/)) in the school yearbook, on the school's web page, or by the newspapers.
